

Due dates

There will be assignments (or exercises) all over the course. It is strongly suggested that you complete the exercises as promptly as possible at the end of each week of the course. This means you should check in at least once a week in order to successfully complete the course. Note that there is a lot of material to cover in Week 3, so please make sure to keep up!

You will have plenty of time to do your exercises, as **all exercises are due on 24 November 2015 (15:00 UTC)**. Meaning that even late comers will be able to catch up.

Note that the deadline [to buy a Verified Certificate](#) is set on 3 November 2015 (23:30 UTC).
